

## Participant Letter

### Display Layout Discount Program

Visitation of our layouts by others or through the printed page is a wonderful way to promote model railroading and share our accomplishments in the hobby. NCE wishes to enhance the experience of both layout owners and visitors alike by providing quality DCC products at a special discount for certain layouts displayed at the national level. If you feel that your layout meets the following requirements and are considering DCC for control of your layout please contact an authorized NCE dealer. This program is open to individuals or groups that meet the following terms and conditions.

Terms and conditions of the program:

- 1) The layout owner or group (program participant) agrees to conspicuously display NCE products operating on the layout at one or more of the following: a national level trade show, a nationally published magazine or as a layout displayed on a national convention tour.
- 2) The program participant must provide proof that they will participate in at least one of the events in condition 1.
- 3) NCE reserves the right to reject the qualification of any layout, event or article. NCE also reserves the right to limit the amount of discounted product provided under the program.
- 4) Products purchased under the program must be purchased at least 60 days prior to the event date (45 days if used in a magazine article). This is to allow sufficient time for installation of equipment and familiarization with operating procedures.
- 5) This is a one time offer only. NCE will accept only one purchase order per participant. Modifications to the purchase order must be approved by NCE. NCE reserves the right to reject modifications.
- 6) Deliveries of product may be scheduled over a 10 month period as long as all product is delivered at least 60 days prior to the event (45 days for a magazine article).
- 7) NCE will supply signage and promotional materials appropriate to the layout. If you have any special needs in this area please feel free to contact NCE.

NCE equipment purchased through this program will be sold through an authorized NCE dealer at a 30% discount from list price (MSRP). Only equipment on the official NCE price list is eligible for program purchases.

We look forward to working with you and satisfying your Digital Command Control needs. Please feel free to contact your dealer or NCE directly if you have concerns about participation or ideas for enhancement of the program.
